

The diagram illustrates the layout of a two-page spread. It features a central gutter labeled 'A' with a double-headed arrow indicating its width. On the left page, there are two main rectangular areas: an outer 'Obszar brutto' (gross area) defined by a solid blue line and an inner 'Obszar netto' (net area) defined by a dashed red line. The space between these lines represents the 'Margines wewnętrzny' (inner margin). Three horizontal lines on the left page are marked with dots and connected to text labels. The right page is a mirror image of the left page, also containing a dashed red rectangle within a solid blue border.

**Obszar brutto** tło musi dotykać tej linii

**Obszar netto** tu twój projekt zostanie przycięty

**Margines wewnętrzny** istotne elementy nie mogą przekraczać tej linii

A
