

The diagram illustrates the layout of a two-page spread. A central vertical dashed line represents the binding. On either side, there are two rectangular areas: an outer one with a red dotted border and an inner one with a light blue background. Three horizontal lines on the left page are connected to text labels. A double-headed arrow labeled 'A' indicates the width of the binding area between the two pages.

**Obszar brutto** tło musi dotykać tej linii

**Obszar netto** tu twój projekt zostanie przycięty

**Margines wewnętrzny** istotne elementy nie mogą przekraczać tej linii
